EDUCATION + EARLY LEARNING

SERVICES FOR FAMILIES

Early education and childcare in Kloten

→ Education + early education

With their daily efforts in raising their children, families make an enormous contribution to our society. A good range of parental training and other opportunities can support families effectively in this process. The following section provides a list of key providers of training and support services.

German language classes with childcare

Courses for non-native speaker parents, level A1 (beginners) to A2.

Address Stadt Kloten, Infoschalter, Kirchgasse 7, 8302 Kloten
Contact Tel.: 044 815 11 11

Training for parents

Department of Education of the Canton of Zurich, Office for Youth and Careers Guidance, Parental Training Office: Various courses and information on parental training. Separate brochure on courses available.

Address Siewerdtstrasse 105, Postfach, 8090 Zürich
Contact / info Tel.: 043 259 79 30, ebzh@ajb.zh.ch, www.elternbildung.zh.ch

Women's circle and men's circle

Discussion groups in various languages (e.g. Arabic, Albanian, English, French, Turkish, Tigrinya, Tamil) at home or in semi-public venues (family centre, school, day-nursery, restaurant, etc.) for women/mothers or men/fathers. Possible topics include being healthy – staying healthy, learning is child's play, early language development, etc.
